### Welcome to Timperley Hockey Club

I would like to extend a warm welcome to players, officials and supporters from University of Durham Hockey Club – both the Women's 1's for our IWHL match and the Men's 2s who play Timperley Men's 1 at 2.15pm as we host a rare double header fixture!

We also welcome today's Umpires, Jonathan Hull and Gemma Jones along with today's Match Official David Alcock. Congratulations to Gemma on being appointed to the Women's Indoor Euro Hockey Championships in Slovenia and on umpiring the final, and of course being a great ambassador for umpiring and Northern hockey!

I'm sure after the winter break both teams will be eager to get back to IWHL hockey today in what will be a tightly contested match. It's been good to see Sav's and the squad putting in the ground work for the second half of the season with training, fitness, indoor and winning the final two warm up games last weekend against Sefton and Cannock.

So, we hit the turf for the second half of the season prepared, positive and looking forward to the next eight games of the IWHL season. Having been on the road for the majority of our games before Christmas we now have the benefit of five of our final games being at home! Let's keep getting the #Blues #OneClub support down and give the girls that extra 12<sup>th</sup> player to bag the points from our home games. We also have an early away game at Brooklands Poynton next Saturday 10<sup>th</sup> February at 12 noon, so do try and get along if you can for the local derby!

A big thank you to our team of THC stewards for today's game, the Timperley Sports Club team and Kitchens of Altrincham our Ladies 1s team sponsor's. Today's Match Day Sponsor is one of our loyal local supporters who come rain or shine is out watching hockey on a Saturday at Stockport Road – showing his appreciation to players and umpires – we thank him for his continued support and encouragement and as a non-hockey player finding a love and interest in the sport.

We look forward to a good afternoon's hockey and hope you will join us in the clubhouse after the game and to support the Men's 1s v Durham University Men's 2s at 2.15pm

With over 400 players aged 5 to 75 taking part in hockey each week at Timperley we need a small army of volunteers to make this happen from coaches to team managers, umpires to young leaders, team captains to committee members. We support our volunteers by funding training to support and mentoring including in coaching, first aid, safe guarding, umpiring and developing the next generation of Young Leaders.
